About Us

The Barber Fund is a small, grassroots 501(c)3 organization, established in 2014. Our mission is to HELP THOSE LIVING WITH CANCER.

The Barber Fund is proud to have helped men, women and children with cancers varying from Ovarian Cancer, Sinonasal Carcinoma, Colon, Breast, Lymphoma, and Neuroblastoma to name a few. We have paid mortgages, power bills, medical bills, phone bills, purchased groceries, chaperoned appointments, helped care for animals, lawn care and so much more.

The "One Love" Movement

Not only do we help our recipients and their loved ones celebrate life and give them the support they need while on their cancer journey but we also strive to bring joy and unity to our community. We call this the ONE LOVE MOVEMENT, an unprecedented,

community-wide effort devoted to standing together as one to make a difference! Join the One Love movement to become a part of something truly inspirational.

John "Tweeka" Barber

The Barber Fund was Co-Founded by the late John "Tweeka" Barber while fighting a form of Cancer called Sinonasal Carcinoma. Sadly, John lost his battle in 2011, a year after of rigorous treatment including many rounds of Chemotherapy and Radiation. John may have lost his battle but today his legacy lives on. John touched many lives as an entertainer, philanthropist and a pillar in the Orlando Community. So in true "TWEKA" fashion, he wanted to create something that would keep his spirit alive, THE BARBER FUND, Helping Those Living with Cancer.
